

Data Exchange Framework

Technical Advisory Subcommittee (TASC) Meeting #4A

Friday, November 8, 2024

1:00 PM – 2:00 PM PT

Members are strongly encouraged to enable their video to foster increased interaction and discussion.

The Vision for Data Exchange in California

The Data Exchange Framework (DxF) creates new connections and efficiencies between health and social services providers, improving whole-person care.

The DxF is California's first-ever statewide Data Sharing Agreement (DSA) that requires the secure and appropriate exchange of health and human services information to enable providers to work together and improve an individual's health and wellbeing.
