B. INSTITUTIONAL INFORMATION	IRB Providing IRB Review The Committee for the Protection of Human Subjects (CPHS) attests to: • being under a Federalwide Assurance (FWA) • being a registered IRB • having been asked to review this class of projects. • meeting human subject protection requirements of relying IRB • ensuring that (name of organization) researchers send any unanticipated problems and adverse event reports using relied on CPHS format to (name of IRB relying on) at the same time they are submitted to CPHS. • making relevant IRB meeting minutes, membership roster changes and other reports and actions available to relying institution or its agent, according to agreements between the IRBs.	IRB Relying on Designated IRB for Review The (name of IRB) attests to: having an FWA retaining responsibility for subject protection accepting the decision of another IRB in order to avoid duplication of effort. conducting a 'facilitated review' of application approved by IRB being relied on assuming full review of project/class of projects at any time the (name of organization) PI keeping current on all IRB correspondence.
